DINING ROOM

Dolce Enoteca e Ristorante is a modern Italian restaurant and lounge that embraces the flavor of old world Italy while catering to a hip and sophisticated clientele.

Taking a cue from the popularity of Italy's food and wine enotecas, **Dolce** serves Italian tapas as well as traditional Italian dishes with a contemporary spin.

Imagine the night stars glimmering through a canopy of trees as a young woman in hip hugger jeans sips a Dolce Flirt on the patio. Inside, ambient lounge music plays as the sommelier presents an aged Chianti Classico to a couple sharing an intimate dinner.

Dolce brings Italian dining to an entirely new level, encompassing both classic and contemporary Italian cuisine, fine wines, and warm ambiance.
